Dear Dr. Nusbaum:

Enclosed is the final report of our findings concerning the drug Nightmare and its attendant subculture.

We have found solid basis for Her Exaltedness's concern over the proliferation of this narcotic. For years Nightmare was the purview of only the wealthiest of the decadent. Increasing use is seen in other demographic groups -- most alarmingly, among the island's adolescents and university-aged thrill-seekers.

We have researched these matters as thoroughly as possible. However, we regret that much of this information remains speculative, based on hearsay and incomplete data. We trust that Her Exaltedness will keep this in mind for the purpose of policy decisions and implementation.

On behalf of my colleagues, I remain,

Sincerely yours,

Stan Nyb
Report Editor

About the Authors

Robin D. Laws

is a freelance writer who lives in Toronto. Previous credits include *GURPS Fantasy II*, a sourcebook for Steve Jackson Games, and *Unauthorized Broadcast*, an *Over the Edge* adventure for Atlas. He contributed additional material to the *Over the Edge* game book, and to *PANDEMONIUM: Adventures in Tabloid World*, upcoming from MIB Productions. Past writing credits include a stint as movie reviewer for CHAY-FM radio, and several produced plays. His next OTE book is *Weather the Cuckoo Likes*, a 96-page sourcebook detailing the beyond-surreal world of Al Amarja's control-busting Cut-Ups.

Greg Stolze

was one of the original playtesters for *Over the Edge*. He's been (reluctantly) a telemarketer, a pizza assembly technician and a pornographer's assistant. His work has been published in *Haunts* magazine; he recently wrote for an issue of the comic *Big Mouth*, is a member of Phi Beta Kappa, and is unemployed. Look for his other OTE contributions, in *Friend or Foe?* and the *Players' Survival Guide*.

John Tynes

is the editor-in-chief of Pagan Publishing. He is currently being sought in connection with *The Unspeakable Oath*, a quarterly digest for *Call of Cthulhu*[™]. Tynes became an ordained minister in 1990 and has performed two marriages. He drinks milk in lieu of respiration.
