MUTIES

What's a post-apocalypse without a few mutants? Post-Apocalyptic Hero describes nearly a hundred sample mutant powers for Post-Apocalyptic campaigns. This Hero Plus Adventure converts them to the Sixth Edition rules.

The mutations are divided into seven categories: Offensive; Mental; Defensive; Movement; Sensory; Miscellaneous; and Disadvantageous. See below for suggestions about how characters can choose which mutations they have.

**“RADIATION HAS MADE ME
an ENEMY OF CIVILIZATION.”**

-- Strange Brew

HERO PLUS ADVENTURES

Mutant Madness is one of Hero Games's *Hero Plus Adventures*, a series of short, no-frills, inexpensive adventures in PDF format. Hero Plus Adventures are designed to provide roughly one game session's worth of entertainment, though some of them (such as this one) are a gaming resource more than a specific adventure *per se*.

PRINTING

The general statement on the credits page notwithstanding, DOJ, Inc. grants each purchaser of *Mutant Madness* permission to make one (1) printed copy of this document.
