## THROWDOWN WITH THE ARM RIPPER

A LEVEL 3 ADVENTURE

# Throwdown with the Arm-Ripper

Your adventures are already exciting... characters explore dungeons, crush monsters, and score loot. But maybe you want your adventures to be more. Maybe you want adventures that are things of legend. Maybe you want adventures that are wicked sick! That's what Wicked Fantasy Factory gives you: **axes hacking, spells exploding, and blood spewing.**

**Don't just crawl through dungeons...  
make them sorry they ever met you!**

In *Throwdown with the Arm-Ripper*, the heroes lend a hand to Prince Roberre. The prince is missing an arm, and he hires the heroes to help him regain it. They journey to a magic altar rumored to repair things that are broken. Soon they are face-to-face with the Arm-Ripper himself – a hulking brute who takes pleasure in plucking the limbs off things smaller than him. But if the heroes succeed, they learn that the Arm-Ripper himself was the least of their dangers!

*Requires the use of the Dungeons & Dragons Player's Handbook, Third Edition, published by Wizards of the Coast, Inc. This product utilizes updated material from the v.3.5 revision.*
