

# CAR WARS®

## EXPANSION SET #10

This set contains the *Car Wars Deluxe Wheelie*, plus all of the counters from *Car Wars* expansion sets 3, 4, 5, 7, and 8, and from *Dueltrack* — over 170 counters!

This handy device keeps track of your speed and Handling Class — and it has a complete Control Table as well! No more little markers to lose or get blown around by random sneezes!

Cut out the three parts of the wheelie on the black lines. Punch or cut a small hole at each part's central cross (+). Stack the pieces according to the diagram, and put them all together with a metal brad or other fastener.

Take care to center the fastener properly, or your Wheelie may not function perfectly.
