HEXES ON ONE SIDE / SQUARES ON THE OTHER

*The mice play in the empty rooms, and the bats flit through the broken windows. The stairs squeak . . . even when no one is on them. And **something is watching** . . .*

Lights in the upstairs windows . . . strange sounds . . . rumors of madness and death. Every horror game needs a haunted house.

Here's the first in a series of game aids suitable for use with **GURPS** and any other roleplaying game. This set includes 8 sheets depicting a huge old house perfect for your next chilling scenario. One side has hexes, the other squares . . . so it will work for any system!

Also included: horror adventure seeds, and a sheet of all-new *Cardboard Heroes* miniatures created specifically for this terrifying set. Intrepid investigators, chanting occultists, and brain-eating zombies . . . everyone you need for the perfect night of screams.
